Supply Chain Manager,

Re: Permission to import and use blasting materials

Reference is made to your letter dated 01 Mar 24, requesting for permission to import blasting materials for mining purposes;

Reference is also made to the letter n° **0268/16.02** dated 21 Mar 24 from the Chief Executive Officer of Rwanda Mines, Petroleum and Gas Board, recommending you to be granted the authorization to import blasting materials for mining purposes;

Pursuant to the Law n°58/2018 of 13/08/2018 on mining and quarry operations, especially in its Article 44 and the Ministerial Order N° 007/01 of 19/07/2019 determining requirements for granting authorization to import, manufacture, transport, trade in and use of dynamites in mining and quarry operations, especially in its Articles 6, 7 and 24;

I am pleased to grant you three (3) months permission to import the following blasting materials for mining purposes, starting from the day this permission is signed:

| Product | Quantity | Unit | Total | Country of Loading |
|--|----------|------|-------------|--------------------|
| SUPERPOWER 90 EMULSION CARTRIDGE 25/50MM (Zambia Origin) | 1,040 | Case | 1,040 Cases | Zambia |

You are also granted permission to use the above-mentioned blasting materials for mining purposes in respect of relevant laws and regulations.

You should however, observe the following:

- To import only explosives that have manufacturing and expiration dates;
- Cooperation with Security Organs before and during the transportation of the blasting materials from the border to the final destination;
- Prepare a safe and secure storage facility for explosives and their accessories before the importation of the blasting materials. The facility will be regularly inspected by National Security Organs /Services;
- During the usage of blasting materials, safety procedures should be strictly observed.

Sincerely,

GASANA Alfred
Minister of Interior
