Good afternoon Joseph,

my logistics colleague has just sent me the air transport offer for the route from our warehouse to CPT Kigali airport; it is \$ 4,000.

I take this opportunity to inform you that we are assembling the hoists, and they will be completed by Monday.

Best Regards

Please send the quotation for the cost of Winches first for us to pay in order to start production, you will send the freight cost later. The items are delaying our operations.
