DISTINCTION CO LTD

Dear Sir/Madam,

I am writing on behalf of the three of the largest mines in Rwanda: EUROTRADE INTERNATIONAL LIMITED, RUTONGO MINES LIMITED and PIRAN RWANDA LIMITED ("GROUP") to express our intention to do a business with your company by providing the GROUP with the materials/goods/spares that it needs for its mine operation.

The GROUP are undergoing several developments with the goal on bringing the mine operation to a global industry standard, provide more jobs to the Rwandan community, and foster a safe and healthy working place for its workers.

We are looking for a company who are willing to partner with us on our supply chain requirement that can provide us with a quality product on a reasonable price and a negotiable payment/credit term that will be provided to the GROUP.

We will be delighted if you will be interested, and our Procurement Officers will be coordinating closely with you to further discuss the payment terms and the products you offered
