Thanks Peter,

I think it will add huge value in the Rwandan context and Trinity in particular.

Hi Peter,

Looking at the costs, the conference will cost as follows:

Conference: US\$890 * 2 = US\$1,780

Industry outlook dinner: US\$155 * 2 = US\$310

Zimbabwe Lithium Field Trip (Arcadia, Bikita and Kamativi): US\$1,895 * 2 = US\$3,790

Accommodation: US\$360 * 2 = US\$720

Flights: US\$1,500*2 = US\$3,000.

Total for Two People: USD 9,600 (excluding foodstuff).

Please let me know if we still proceed with the conference plus the field visit.

Hi Peter,

Sandy Walker, did mention to me that there could be two spots availed at the SEG Conference field (mines visit). If this is confirmed I think it would now be worth going. I will keep you updated.
