Dear Francis,

First Aid room and ambulance parking are urgent, this is approved, however try to use construction materials we have on site and in our store first.

Core shed will be dealt later, it's not urgent now.

Regards,

**Missionnaire Mbanza**

**Subject:** Re: Ambulance parking and first aid room

Dear Mbanza,

Refer to the conversation we had, I would like to request your approval to expedite the construction of Ambulance Parking and First Aid Room, as well as the completion of Core-shed project, which is currently on hold. Given the urgent need for these facilities to resume these projects, I propose the following as I have provided in Bill of Quantities:

**Ambulance Parking and First Aid room construction**

Materials cost = **4, 000, 000 Frw**

Labor cost = **360, 000 Frw**

**Coreshed completion**

Material cost = 300, 000 Frw (The following Cost are refunding materials used to construct toilet in Musha camp while this project was on hold )

Labor cost = 765, 000 Frw

Your approval will allow us to ensure these projects are completed on time.

Regards,

**Francis NDAWURA**

**Subject:** Ambulance parking and first aid room

Dear Francis,

Kindly push the parking of Ambulance and first aid room,

It is better they get completed before 15<sup>th</sup> November of end of November at the latest.

Regards,

**Missionnaire Mbanza**
