**SUPPLY CHAIN CONSULTING SERVICES TO TRINITY METALS LTD** 12 September 2024

Dear Peter and David,

As discussed during our close out meeting 2 September, I am available to continue my engagement with Trinity and propose to you:

**Scope of Work, as reviewed with Jeome:**

- Undertake Trinity Site Works and Services Contracting
- Complete the outstanding Annexures for the Inventory, Stock Management, Procurement Policy and Procedures.
- Conclude Intercompany Policy and Procedure preparation and authorization
- Update the Inventory, Stock Management and Procurement Policy and Procedures to include the 4Flow systems processes, new steps and removal of steps which became redundant due to removal of manual processes – PR/PO.
- Conclude Long Term Contract Register
- Conclude Trinity Contractual templates for Site Works and Services and Long Term Contracting: Hire of Labour, Hire of Equipment, Sale of Scrap, Sale of Aggregate, Long Term Supply and Delivery, Provision of Professional Services, Provision of Security Services, Outsourcing of Mine In-House Services, Offtake Agreements etc.
- Write new Policy and Procedure for Stock and Non Stock Scrap and Disposal thereof.
- Assist with the implementation of Procurement activities to result in conclusion of Strategic Commodity Contracting: finalization strategic sourcing and long-term contracts for Galison – G215 Jackhammers & Spare parts, Bawoo Corp – Bobcats/Skid loaders and spare parts, Hanzi – Locomotives and spare parts, Shandong China Coal – Rails, Mining Equipment, Wagons, Xuzhou Armour Rubber – Bobcat Tyres, Zhu Ji Huashi Mobile Lighting – Mining Head Lamps and spare parts, and Qixia Dali Mining Machinery – LHD & Dump Trucks & spare parts.
- Assist with the investigation of Supply Chain Outsourcing opportunities
- Undertake October and December 2024 technical visits to Trinity and to result in improved Supply Chain performance and adherence to Policies and Procedures (site visits on a two monthly cycle)
- Undertake with South Africa and China commercial Supplier Assessments (with Trinity personnel)
- Memorandum of Understanding (MoU) preparation and motivation for authorization for the Explosive Magazine management and analysis of new storage & handling fees.
- Alternative supplier for Explosives: Kyoga Dynamics – Ugandan supplier review of products and cost comparison with Nitrochem.
- Review of Supply Chain Structure in correlation to the Trinity Metals Vision 2030 to accommodate changes to meet Vision 2030 targets.

**Remuneration**

A 10% increase to my 2022 (attached) Contractual rate and to be reviewed September 2025.

- Work undertaken in Rwanda: \$ 451.00 per day including travelling days (accommodation, air travel, local travel, food, refreshments and laundry services to be provided by Trinity).
- Work undertaken in South Africa: \$ 56.38 per hour or part thereof with time sheet.

Yours faithfully,

  
MB Jacklin
