Dear Gilbert,

As Daima is not around, I would like you to place orders for the items No. 1 (Garmin GPS, see specs.) and No. 3 (Brunton Compass, see specs.) in the email from Justin below.

I believe GM, copied in here had approved buying the same long before the wrong items were returned.

Dear Eric,

Previously we had an order for the following;

1. Compass SWNTO=3pcs
2. Sighting compass=1pc

Unfortunately the supplier has delivered wrong items and discussions has been going on for replacement.

Meantime you can process with new PR excluding **Geological hammer (Estwing E3-14P Rock Pick)**

As this is in transit to Kigali.

Thanks.
