Subject: Conveyor belt request

Dear Sir,

Kindly consider our conveyor belt request, the conveyor belts are essential to the plant and they are among the international items that we can not procure locally. I have attached the previous proforma invoice so that we can have the estimate cost, we will be in need of 200Mtrs and the estimated price is 4,793USD as per attached proforma invoice from TRUCO, S.A.

Kind regards
