**Subject:** RE: Request for Approval of Sole Resources Document – Underground Steel Arches

Dear Joseph,

I have shared the email trail containing the SCM's SSM approval for the Nyakabingo Mine underground steel arches PR#6573 . Your approval is now the only one pending, and we kindly request that, once approved, you expedite the processing of this request, as the steel arches are urgently required for underground support.

Best regards,

**Rogers Bureshyo**
