Land Freight and port charges	1		\$3850	\$3850
Customs duties	1		\$1700	\$1700
Sub Total				
Taxes and Assessment				
TOTAL				\$29 268

D : RISK ASSESSMENT

We do need this equipment to assist our people with reducing the time delay which our people work late to crush the production.

The equipment we use now is very old and we always send it for repairs, which cost a lot of money, and we don't have spares.

E PROJECT SCHEDULE

As soon as possible equipment arrived will be useful.
