**Subject:** Excavator rental

Hi Jelly

Please arrange with our current excavator supplier to rent a second excavator for tomorrow for 1 day only. The excavator will operate in the Shengampuli cell, Masoro Sector. The contact person is Ernest who will arrange to show the place which is to be worked at and the supervision of the work to be done.

A reminder to arrange the required amount of diesel to be sent to the location where the excavator will be used.

Regards
