

The Chairman
Rwanda Association of Petroleum Products Importers (ASSIMPER)
Kigali – Rwanda

Dear Chairman,

Subject: Fuel Pump Prices for September - October 2025

Please be advised that, for the months of September and October 2025, the maximum retail pump prices, inclusive of VAT, in Kigali will be: (i) Petroleum Motor Spirit (PMS): 1862Frw per litre and (ii) Automotive Gas Oil (AGO): Frw1808 per litre, effective from 06 September 2025 at 06:00AM.

These levels:

- Reflect all the prevailing international market movements;
- Include the net-of-VAT subsidy fees of Frw80/L on Gasoline and Frw140/L on Diesel.

All other price components (taxes, levies and charges) remain as set in the fuel pricing model currently in use.

Sincerely,

RUGIGANA Evariste
Director General
