1. Background

Provision of GIS Services for ESG and Mine Planning.

Trinity Metals seeks to engage the services of a Rwandan-based GIS company to provide GIS mapping and spatial analysis services in support of key environmental and social projects underway at all three of the mining concessions. In addition, Trinity Metals requires GIS-based support for mining-related activities: such as land acquisition; mine planning and closure; and rehabilitation, and asset protection and SHEC management functions. Trinity Metals intends to establish its own internal GIS capacity which will build on the deliverables supplied by an external service provider

2. Formal Expression of Interest.

2.1 The formal Expression of Interest was published to the public through Job in Rwanda Website. The advert ran for a period of 12 days from 18th to 29th August 2025.

Ten (10) Tenderers responded to the Expression of Interest, ECOLAMA LTD, UR HOLDINGS GROUP LTD, MEGISHA ESTATE LANDMARK LTD, TUYISHIMIRE JOSEPH, GITOCAL LTD, GIRD LTD, GANZA GREEN SOLUTIONS LTD, ESRI RWANDA LTD, MUKESHIMANA PROVIDENCE and PIONEERS FOR SERVING SOCIETY LTD.

2.2 Only Five (5) Tenderers (UR HOLDINGS GROUP LTD, TUYISHIMIRE JOSEPH, GIRD LTD, GANZA GREEN SOLUTIONS LTD and ESRI RWANDA LTD) who submitted required document as per the Expression of Interest are recommended to submit their financial proposals.

2.3 Five Tenderers (ECOLAMA LTD, MEGISHA ESTATE LANDMARK LTD, GITOCAL LTD, MUKESHIMANA PROVIDENCE and PIONEERS FOR SERVING SOCIETY LTD) did not submitted required document as per the Expression of Interest and thus not recommended for submission of financial proposals

no approach, 6 months										
ECOLAMA LTD	No Website, no web presence, gmail address, very little details for previous experience and relevance to GIS not always clear, appears to be more of a surveyor. Company Registration covers contraction for civil engineering projects - GIS services not mentioned. No CV's of key personnel no summary of qualifications and relevant experience - no indicative time frame and approach. RECOMMENDATION: DISMISS.									
UR Holdings Group Ltd	Comprehensive website (www.holdingsgroup.ur.ac.rw), extensive GIS experience for multiple clients. All documents provided. Adequate capacity. Good interpretation of the scope and deliverables. Timeframes are good (2 months) RECOMMENDATION: RETAIN									
Megisha	Have a website https://www.megisha.com/ - indicated as a Real Estate company, that has surveying capacity - no mention of GIS on their website. Concern RE capacity (one man show); inadequate GIS experience - more of a surveyor with some GIS analyst experience. Inadequate experience and lack on capacity to undertake such a bit project in the timeframes required. Company registration does not cover GIS Services. No inductive timeframe and approach. RECOMMENDATION: DISMISS									
Tuyishimire Joseph	Company registered as: Tuyishimire Joseph. No website. Timeframes - 6 months - will need to scope this back to 4 months at least. Slight concern about capacity to do the job over a shorter duration. Approach is good - meets the specs. Team members - 4 (10-15yrs experience) I could not find the CV's - indicated in their submission but missing. RECOMMENDATION: RETAIN									
GI TOCAF LTD	Experience focussed on Urban planning. Outsourcing of some of the services (concern). 3 years track record. No environmental capacity (not essential, but noted). Look a bit light weight. Projects not on the scale we are looking at - all related to urban Planning. Not convinced they have the necessary team and experience in rural context. Approach is provided - consistent, 6 month time frame. RECOMMENDATION - RETAIN (BUT LOW ON LIST) - Capacity, relevant experience and timeframes are a concern									
GIRD LTD	No website for further details. Experienced pool of experts in GIS and remote sensing with good quality CVs. Provided 3 months timeline which suits the needs of this assignment. RECOMMENDATION: RETAIN									
GANZA GREEN SOLUTIONS LTD	No website for further details, CVs provided and relevant experience in the field of GIS and remote sensing. 6 months timeline provided. RECOMMENDATION: RETAIN									
ESRI RWANDA LTD	Comprehensive website (https://www.esri.rw/), experienced pool of experts on ground as well as software service provision. The company looks better positioned to provided services we are looking for. RECOMMENDATION: RETAIN									
MUKESHIMANA PROVIDENCE	Very junior with no qualified team and no previous experience. Looks like someone looking for a job offer. RECOMMENDATION: DISMISS									
PIONEERS FOR SERVING SOCIETY LTD	Looks like they have a pool of experts but little field experience on the ground. Timeline given is 6 to 18 months RECOMMENDATION: LOW PRIORITY									

4. Recommendation

Trinity Procurement recommend the Five Tenderers (UR HOLDINGS GROUP LTD, TUYISHIMIRE JOSEPH, GIRD LTD, GANZA GREEN SOLUTIONS LTD and ESRI RWANDA LTD) who submitted document that conform to the Expression of Interest requirements to submit their commercial proposals.
