Dear sir,

As part of the upcoming visit preparation, there is a need of paints and accessories to ensure better visibility especially in areas that are prone to the visit including Nyamyumba (T32 & T33) and Sanzari.

In this regard, I would like to request your special approval of the requested items that totaling 1,4500,000Frw so that we can quickly fix our places and ensuring professional visibility during the visit.

@Jelly Kabalisa As soon as this request is approved, I kindly request to you to make it priority to avoid delays.

Best Regards,
