Subtotals				3,915	74,415
Total (USD)					74,415

Licensing Models and Important Notes:

1. Deswik.Suite products are licensed on a **concurrent user basis**.
2. Deswik.MDM, Deswik.OPS and Deswik.GeoTools products are licensed on a **named user basis**.
3. Deswik.Apps products are licenced on a **per device basis**.
4. **RRP** for all Deswik Software is set by Deswik's head office in **AUD** except where indicated. (Currently, Deswik.SO and Deswik.SOT pricing is in USD as set by the third party provider).
5. All prices set out above are in **USD** and the relevant exchange rate is included for reference. Due to exchange rate fluctuations, the price to renew your Deswik Software licenses may vary between renewal periods, and also if multiple versions of this proposal are issued for any reason.
6. You may withhold on the amount quoted above as required by law. If we require it, you must provide a tax certificate evidencing the payment of any amounts withheld within **60 days of payment date**.
7. This proposal is until **22/02/2026**.

We will provide an invoice and license files/keys upon receipt of a Purchase Order from your organization, or after completion and return of the following page if your organisation does not issue formal Purchase Orders.

If you have any queries, please don't hesitate to contact me at izel.koegelenberg@deswik.com.

Regards,

Izel Koegelenberg
Deswik Mining Consultants (Pty) Ltd

PROPOSAL DETAILS

Proposal Name:	Renewal for licenses expiring 30 Apr 26 Proposal		
Proposal Number:	24-3731-V3		
Revision Number:	3	Release Date:	23/01/2026

1. This Proposal is issued in accordance with the following terms:
 - a. Where there is an executed written agreement in force between us, which relates to the goods and/or services the subject of this Proposal, then this Proposal is issued pursuant to, and subject to, the terms and conditions of the relevant agreement.
 - b. Where there is no other written agreement, this Proposal is issued subject to Deswik's applicable terms and conditions in force at the date of this Proposal (namely our End User Licence Agreement and Support and Maintenance Agreement relevant to the product, and region in which the Deswik office is located). These terms and conditions can be accessed from Deswik's website (<http://www.deswik.com/terms-conditions>) or can be obtained by contacting the Deswik contact on this document.
2. The supply of goods and services will **NOT** commence until **an official Purchase Order number** has been received, or the table below is completed and signed by an Authorized Representative of the company if your organisation does not issue formal Purchase Orders.
3. By accepting this Proposal (including by issue of a Purchase Order for the goods and/or services – regardless of anything regarding applicable terms and conditions in the Purchase Order – or acceptance of the goods or services from Deswik), you accept the terms referred to above.
