Subject: Request for Transfer of Explosives Stock Due to Expiry Concerns.

Dear Honourable Minister,

Trinity Musha Mines Ltd is requesting for transfer of its explosives stock to Rutongo Mines Ltd. both Trinity Musha Mines Ltd and Rutongo Mines Ltd operate under Trinity Metals, these explosives includes Combidets 3 mtrs 200/4000ms - 4,680 pcs and Instantaneous Electric Detonators 1.8 mtrs - 400 pcs, which are due to expire soon. These explosives were initially imported for the Trinity Musha Mines Ltd.

At present, we have not yet started the blasting process at the Musha mines, as we are awaiting the completion of the sub-magazine. Given the urgency due to the impending expiration of the stock, we kindly request your office's approval to temporarily transfer the explosives stock Combidets 3 mtrs 200/4000ms and Instantaneous Electric Detonators 1.8 mtrs to Rutongo Mines for use in ongoing operations. Once the Musha Mines blasting plane restored and the sub-magazine is complete, we will promptly return the stock to the Musha mines.

Please find attached the RMB recommendation, along with supporting documents confirming that both entities operate under Trinity Metals.

We will be grateful for your understanding and support in this matter and would appreciate your prompt response to facilitate the smooth continuation of our operations without any disruption.

Thank you for your consideration.
