RE: Exceptional Authorization for Purchase and Use of Single Use Plastics Purchase and Use of Single Use Plastics

Reference is made to your application dated 9th May 2025 addressed to REMA requesting for exceptional authorization to Purchase and Use 200.00 Kg of Plastic Tubings from AGLOPLAST to be used in Agriculture . Tree Nursery

Reference is also made to Article 4 of the Law No 17/2019 of 10/08/2019 relating to the prohibition of manufacturing, importation, use and sale of plastic carry bags and single-use-plastic items which states that "A person who intends to manufacture, import and export or use plastic carry bags and single use plastic items or pack goods in plastic material and single-use plastic items for exceptional reasons applies in writing for an exceptional authorization issues by the competent authority"

Considering the intended use of Plastic Tubings, you are authorized to Purchase and Use 200.00 Kg of Plastic Tubings from AGLOPLAST to be used in Agriculture for Tree Nursery . The authorization is valid for a single order

I take this opportunity to call upon your corporate environmental responsibility and recommend you to devise measures to ensure efficient collection of the plastics after use for recycling or other possible uses.

Sincerely,
